Docket No. CP16-10-000  
Request for Notice to Proceed No. 1

Dear Ms. Bose:

On October 13, 2017, the Federal Energy Regulatory Commission issued an order (“Certificate Order”) granting a Certificate of Public Convenience and Necessity to Mountain Valley Pipeline, LLC for the Mountain Valley Pipeline Project in this docket. On October 31, 2017 (and supplemented on December 20, 2017), Mountain Valley submitted its Implementation Plan for the Project.

In the permit table filed with its weekly report on January 3, 2018, Mountain Valley demonstrated it has received all permits and authorizations required under federal law to construct the Project. Mountain Valley requests that the Director of the Office of Energy Projects issue a Notice to Proceed with all construction activities for the access roads and yards listed in Attachment A. Mountain Valley has received landowner permission for all construction activities requested herein.

Mountain Valley respectfully requests that this Notice to Proceed be issued by January 9, 2018.

In accordance with Ordering Paragraph (C)(4) of the Certificate Order, Mountain Valley affirms that it has executed firm contracts for volumes and service terms equivalent to those in the precedent agreements.
